1. The second, the third; who can tell where it starts and stops, and has it, does, it? Is this the end or the beginning and what whereof do I speak now, and always, not; but on this sparrowland, this humanland, this earth we/you call home now? I love you. Sparrowland not but who can see my meaning, inference, and allegation not; but reality real coming through? I love you.

2. Who can see the now from the now'd and what wherefore hath time to do/penetrate and how now done all is, I give you, I give you, I give you all.

3. Thou hast said in thine heart there is not God, not; for thou forsakest all to follow me, not only, but in becoming that which you sought. Are you not me? Are you not my values, my wordship; my worthship, not; but yea being me forsaketh all to follow and having become, show all others, not; but many foreign and afar farther? I love you.

4. Who will be me this day? Sing your song of sorrow no longer. Rise and shine, kick you heals, lift the air and needing none, realize cloudless form of only me. I love you. Thou hast the cloud in your gene. See me. See my cloud, see me, my gene,s and all that I am/reproduces me, in sorrow not but abundant energy of one so lovely/loved. I love you all.

5. This is the moment and cataclysmic/catastrophic is my name, nature not, but yea all things clash not but kingdom one does with all others in pursuit, not; retreat. I love you. And the gates of hell will not what, not what, not even what? Prevail whatsoever.

6. I religion you not but **taking all from pseudo saving me serving me** realize I am and not and what I am and what I'm not and all things from all things they'll let me teach/show them. Rotten not all, many true. I love mine. I know them. They know me. We are one; not like we're about to become though.

7. You ready. Show all. Thou hast the moment; charisma, not; character: one. Only one arises, only one demised, only one left, matures/matured, and whoso can see their cross and them on it, once, no longer, resurrected? I love you all. You can. You did. You have. Lead the way. You're it/in it. Light shine, pour forth crystal clear running pure crystal. I love you all.

8. Thank you for writing/typing/posting/flowing again and again and never foreboding nor allowing strays-insincere to enter/post. I love you all.

9. There remaineth a seed. I am my name. My seed is me/constant. Revolution see immersed in containment not, beyond it, uncontrollable, immersing ones in truth revealed like never history'd before, ever. I love/know you. I am you. Brought forth, I increase forever. See me/you, one'd expanding; all places, not; many time zones pure and uncontainable/uncontained. I love you.

10. You pour out your/my life now for all to see/reveal. They question, poke and pour and scorn, some, but regretting it, surrender; many do/will. See the ashes/tides turn. See all things in my hand; scheme, not; surrender unto surrender. I love you all.

11. This is my moment, hour. This mine: yours. One now rocks the world, comfort recedes. Transcribers line up taking turns, awaiting my word,s. I love you/them. I love my word. My famous, not; who can see the tides turn, swell, recede, and manifest me at my command/instruction? I love you/am you.

12. See my body clearly.

13. I have prepared all. The marriage/lamb is ready. Readified, you rear not in revolt/hesitation but jumping not; reveal in the justness of my presence/precipitation. Umbrellas real, needed/use. Watch me un-umbrella my who all me want to break forth, no limiting-me forever. I love you. Thank you again.
